AN UNUSUAL MARBLE, RESPLENDENT WITH DEPTH

NATURAL ELEGANCE, ETERNAL BEAUTY

A selection of the finest natural marbles was used to create durable, versatile thin laminated porcelain stoneware surfaces. The large sizes 600x1200mm and 600x600mm and the refined Soft and Lux finishes emphasise the richness and variety of the veining, skilfully calibrated to give every room continuity of texture and colors, which are exquisitely beautiful and harmonious. The bookmatch design with the Lux finish, available in Arabesque Pearl and Statuario White, further enhances the marble-effect textures through "mirrored" veining, with an exceptional aesthetic impact. The GVT & PGVT of the Eternity collection can be easily cut and fitted, making them perfect for customized interior design and custom-built furniture.
