

The image shows a terrazzo floor and wall. The floor is composed of large, square tiles (600x600 mm) with a grey matrix and embedded chips of various colors including brown, black, white, and tan. The wall is made of the same material, showing a similar pattern. The tiles are separated by dark grey grout lines. In the lower center, there is a logo for 'TARRAZZO' where the 'T' and 'A' are black, the 'R' is green, and the 'ZZO' is yellow. Below the logo, the words 'COLLECTION' and '600 X 600 MM' are written in a simple, black, sans-serif font.
